Incredible Value! You don't see homes this updated at this price very often. Enjoy the smell of newly installed carpet, freshly painted walls and refinished hardwood floors. Let the sun shine through the vinyl windows of this quaint 3 bedroom home that's cute as can be. This home utilizes space well and offers a well laid out kitchen that's adjacent to a dining room complete with hardwood floors. The home is great, but don't overlook the lot that's filled with tall mature trees and enough space to create your own outdoor entertainment. Homes that have been this well maintained won't last long!
