Attention Outdoorsman!

Don't miss this opportunity to purchase a little piece of paradise. The property boasts 20+/- tillable acres that's beautifully wrapped by 49+/- of pasture, ridges and woods that are ideal for hunting. Included on the property is an older barn that the prior owner had started to remodel as a residential home. Finish what he started and use the barn as a home or create a unique hunting cabin. Other sheds on the property could use some TLC, but would work great for storage or workshop. And if that isn't enough, the property is bordered by the Kickapoo River to the West which provides excellent fishing and recreation.
