Xceptional Lot for your Xceptional Home!

At 2.2 acres this beautiful lot is the 2nd largest lot in the Sunny Hills Development and the largest without a house! It is well over twice the size of most of the lots and it already has trees. Many home builders have found Sunny Hills to be a wonderful area to put up quality houses. This country subdivision has city amenities and is only minutes from town! When you pull up you will see that the front is open but the back 2/3+/- is nicely wooded.
